Romulo Warns Against Complacency

United States is a God-given and God-loving civilization. These two intangible concepts are the bases wherein national strength, inner unity and world-wide relations of the United States.

General Carlos P. Romulo, prime ambassador to the U. S. speaking at Monday's forum assembly, stated that it is not atomic or scientific develop-

ment and economic stability and progress that garners the U. S. the respect of other countries.

RATHER IT IS that condition that exists only in America; a condition that is based on a belief put into the Declaration of Independence by the founders of the country—the belief that "all men are created equal."

General Romulo warned the Brigham Young University students and faculty against com-

placency in realizing that the Soviet Union has surpassed the U. S. in many phases of scientific and military advancement in the race for supremacy in the global struggle.

HE SAID THAT Americans should "make your ideals coincide" with the freedom that exists in the country and that ideals should "reflect the dignity of the human soul."

The foreign ambassador said that the people of the U. S. could look forward to the future and face it without fear by realizing that spiritual development is the key to inner strength and is the check on Communist aggression.

GENERAL ROMULO, in offering an "outside perspective" of world problems, pointed out the chief difference between Communism and the so-called capitalist system. Communism and its objective is "unchanging, unchangeable and changeless," whereas the capitalist system has evolved and developed with the changing times.

both Friday and Saturday nights. Sponsored by the Alumni Association, it is expected to be one of the biggest dances of the year.

ACCORDING to George Ipson, publicity director, more money is being spent on Homecoming this year than at any previous time.

Playing for the dance will be the Y Knights in Smith Family Center, Gary Maden's band in Smith Fieldhouse and combos in the Social Hall, according to Deaver. Dances will be held two nights to accommodate more couples and will begin at 9 p.m. on Friday and 8:30 p.m. on Saturday.

A LIMITED number of tickets will be sold on Wednesday, Thursday and Friday; price of tickets will be \$2.00 per couple. Among those working on the dance are Deaver, chairman; Beverly Johnson, secretary; Bill Morris, business manager; Janet Stewart, tickets; George Ipson, publicity; Helen Jez, scheduling; Mary Louise Jacob, refreshments and Susan Deputy, Jo Paine and Cathy Erickson, decorations.

TYPICAL autumn campus scenes will be featured in each hall. Shrubs, benches, murals of Timpanogas and replicas of the Y Bell Tower will decorate each hall.

Students Get Pep Rally Friday Morn, Evening Rally

up rally plans have been spread since the Universe reached the information appearing in Monday's edition.

According to Gordon Wells, he will be only one rally (10:50-11:10 a.m., Thursday) the evening affair has been cancelled.

The morning rally will be in the area between the Jay Bird and the Smith Hall—just east of the Brimhall

ella vice president of student organizations, said that the rally will include the pep band, flag twirlers and song and the presentation of the hall coach and team, a skit and a Viking social unit, and a special numbers.

Pres. Moyle to Dedicate Two New Helaman Halls At Devotional Assembly

Two new Helaman Halls will be dedicated Wednesday morning during the devotional assembly.

President Henry D. Moyle, second counselor in the First Presidency of the Church of Jesus Christ of Latter-day Saints, will dedicate the buildings.

WILLIAM BUDGE Hall and **Marriner Wood Merrill** Hall are the names chosen for the buildings set for dedication.

William Budge was the early-day Mormon missionary who converted Dr. Karl G. Maeser, first president of Brigham Young University, in Germany. At the time of his death in 1919 at the age of 91, he was president of the Logan Temple and had served as deputy surveyor of Oneida County, Idaho, school superintendent in Oneida County, President of Bear Lake State, president of the European Mission and a member of the Idaho Legislature.

MARRINER WOOD MERRILL was a pioneer of Cache County. He was president of Cache Stake and an apostle at the same time. He served as president of the Logan Temple until his death in 1906.

He was postmaster of Richmond 20 years, owner of a mill, superintendent of Utah Northern Railroad, farmer and legislator in the Territorial Legislature.

ELDER MERRILL served on the Board of Trustees of Brigham Young College in Logan and Utah State University, formerly Utah State Agriculture College. He had 46 children, 35 of whom attended college and 291 grandchildren, 149 of whom attended college.

PRESIDENT MOYLE WHO dedicates the halls was a prominent figure in the establishment of the Church Welfare Program. For 11 years (1936-1947), he traveled throughout the church assisting in setting up and making strong the welfare program. In 1947 he was sustained as a member of the Council of the Twelve.

In 1936, when the General Welfare Committee was organized, he was called as a member, becoming chairman of the committee one year later in 1937. This was the position he recently relinquished to become the second counselor in the First Presidency.

FRES. MOYLE was a professor of law at the University of Utah for 25 years. He has a B.A. degree in mining engineering and a B.A. in general studies from the University of Utah. He has a degree in law from the University of Chicago.

Pres. Moyle has studied college in the world-famous mining school at Freiberg, Germany, and he has studied law at Harvard University.

Pres. Moyle is also a member of the Board of Trustees of BYU.

Injunction Set Today In Walkout

by J. Robert Shubert
United Press International
PITTSBURGH, Oct. 29—The government will ask a federal district judge today to order a half-million striking steelworkers back into the mills for 30 days but the United Steelworkers Union said it would fight a Taft-Hartley injunction to the highest court in the land.

A reluctant President Eisenhower ordered the Justice Department to seek the injunction yesterday after his special fact-finding board reported there was virtually no hope for a voluntary settlement of the 98-day basic steel strike. The President acknowledged it was a "bad day for the nation."

Seek Injunction
Assistant Attorney General George C. Dohg gave before federal judge Herbert P. Sore to request the "cooling off" period, which the President said was necessary "to remove a peril to the national health and safety."

United Steelworkers president David J. McDonald said, if unsuccessful, it would carry the fight to the third circuit court of appeals in Philadelphia and to the United States Supreme Court.

Return to Work
McDonald said the steelworkers would obey a return to work injunction but would be free to strike again at the end of 80 days if their demands were not met.

Government lawyers were geared for what was expected to be the first all-out challenge of the government's power to force striking workers back on the job under the 12-year-old Taft-Hartley labor law.

Study Aspects
Justice Department lawyers were known to have examined every aspect of the strike in their long preparation for a legal battle with the steelworkers union.

The burden of arguing the government's case has fallen on the shoulders of Dohg, chief of the department's civil litigation division, and his assistants.

Army Missile Chief to Quit, Trouble Brews For McElroy

WASHINGTON, Oct. 20—(UPI)—A new uproar about the Army's role in the space-missile program appears d brewning today with the announced retirement of Maj. Gen. John B. Medaris, effective Jan. 31.

Medaris, commander of the Army Ordnance Missile Command, announced last night he intended to leave the army after 38 years of service. He planned to hold a news conference in New York today (at 1 p.m. MST).

Associates said that Medaris' dissatisfaction with the progress of America's rocket and space efforts was not behind his decision to retire from active duty.

But the 57-year-old general was known to feel, along with Dr. Werner Von Braun and other army scientists, that insufficient money was being allotted to Medaris' command.

There also have been reports that Von Braun might quit unless the Army missile team was assigned a bigger role. The German-born rocket expert was scheduled to address a breakfast meeting of the National Association of Food Chains in Washington.

Foreigner Is Friend Not Yet Met--Romulo

by Larry Day
Daily Universe Editor

General Carlos Romulo sent a special message to Brigham Young University students Monday in an interview with the Daily Universe.

"Tell your students to remember this: A foreigner is a friend you have yet to meet." Using this formula is "one way to project yourself spiritually," the general said.

IN HIS FORUM address Monday, General Romulo stressed the importance of showing the people of the world the spiritual and cultural wealth of America rather than military and strategic might. His special message to BYU students correlated with that theme.

The Philippine statesman explained to interviewers that Communist China's Mao Tse-tung's policy is, "Talk, Talk, Fight." In light of that and like Communists' policies, the free world can expect no cessation of violence and political incidents in trouble spots throughout the world, he said.

IN COMMENTING on the Laos situation, General Romulo said that the United Nations had won a great deal of prestige. The U.N. had sent a sub-committee to investigate the Communist aggression and the situation had immediately improved.

The really significant thing about the U.N. action in Laos was the presenting of the question before the U.N. as a procedural rather than a substantive measure.

Making the question procedural, the U.N. did away with any threat of a Communist veto on action for Laos.

General Romulo gave an op-

'Let's Live Lively' Mat Dance Theme

"Let's Live Lively" is the theme for the Homecoming Mat Dance to be held Wednesday at 4:30 p.m. in the multipurpose area of the Smith Family Living Center.

The Y Knights will provide the music for the occasion. Admission price is 15 cents.

The Mat Dance committee urges everyone to come and see a surprise feature! Chairman Meribryne Rich announced that those who attend will have the opportunity of meeting "the Homecoming Queen of 1926 and the Most Preferred Man of 1918."

CAT LOOK—This girl's young hair style, a version of the Parisian "cat look," reminiscent of a fluffy Persian kitten can be set at home with queen size clips, used to secure stand up curls.

'Cat Look' Hair Style Gains U.S. Popularity

The grace and movement of the Persian cat are translated into a soft wave and swirls atop the head in the new Parisian hair styles.

But cats, like people, come in all types, so the follower of fashion can express her own personality—with the slightly feline touch, of course.

THE "CAT LOOK" is being widely adapted in America, with variations keyed to the activities as well as the tastes of the American woman. Pictured is a style reminiscent of the Persian kitten, its eyes wide with surprise over some startling discovery.

The hair should be four inches long everywhere except just in front of the ears, where it should be cut to three inches. The setting is done with one assortment of queen size and double-prong pin curl clips.

PART OFF A square top section about an inch behind the hairline. At the hairline, set a row of stand-up curls pointing forward. These form the bangs.

In the parted-off section, set stand-up pointing back—about three to the row across the head—and secure with Queen Size clips. On the sides, the first row of curls in front of the ear

should be flat and turned toward the face.

THIS SETTING will give a gay new "chatter" coiffure in the Parisian manner. The style is soft, fluffy, flattering, yet with a casual look which will carry it through all the activities of the modern woman's busy day-time life.

Top 3 Remain Intact

by Earl Wright
United Press International

NEW YORK, Oct. 20—Louisiana State, Northwestern and Texas—still enjoying perfect football records although they were hard pressed in their latest starts—remained 1-2-3 today in United Press International's major college ratings.

Southern California, Mississippi, Syracuse and Penn State advanced and took over the 4-5-6-7 positions in the latest balloting by the 35 leading coaches who rate the teams for UPI.

AUBURN, moving back into the top 10 after a three-week absence, was eighth. Georgia Tech slipped from fourth to ninth in the wake of its 7-6 loss

to Auburn, Wisconsin was the other newcomer in the select group, advancing to 10th after trailing 21st last week.

Purdue skidded from fifth to 14th in the wake of a 15-0 loss to Ohio State. Iowa, ninth last week, dropped into a three-way tie with U.C.L.A. and Ohio State for 17th following a 23-10 loss to Wisconsin.

OREGON WAS 11th and Illinois 12th. Arkansas, Purdue, Oklahoma, Clemson, Iowa, U.C.L.A., Ohio State, Texas Christian, Washington and Tennessee completed the top 20 in that order. T.C.U., Washington and Tennessee tied for 20th. Indiana was the only other team mentioned on this week's ballots.

Each coach votes for 10 teams

in the order he ranks them nationally. Points are awarded on a 10-8-7-6-5-4-3-2-1 basis for votes from first through 10th place.

LOUISIANA STATE received 23 first-place votes and a total of 230 points. Northwestern drew seven first-place votes and 299 points. Northwestern, only unbeaten team in the big ten, cut Louisiana State's margin to 31 points after trailing by 64 in last week's balloting.

Texas received 238 points. Southern California 232 and Mississippi 225. Syracuse received 175, Penn State 96, Auburn 83, Georgia Tech 70 and Wisconsin 64. Southern California and Mississippi each received two first-place votes. Syracuse drew the other first-place vote.

Kittens Prepare to Host USU Ramblers Friday

COACH HAL MITCHELL ran his freshman Brigham Young football squad through a rugged scrimmage Monday in preparation for their Friday encounter with Utah State's Ramblers in Cougar Stadium.

The USU squad looked "real good" in their first encounter against the Utah frosh last Friday, although losing, according to members of Mitchell's staff.

The Kittens will be at a disadvantage for the game since the Ramblers will already have a contest under their belts.

BASEBALL MEETING

There will be a special meeting Thursday at 7:00 p.m. in room 124 of the George Albert Smith Fieldhouse for all returning baseball lettermen and all those interested in turning out for intercollegiate baseball this winter, according to Coach Glen Tuckett.

whereas the BYU squad is untried.

"**WE'LL BE** basically a running team," a member of the coaching staff stated.

The frosh will be using a multiple offense similar to that of the varsity.

The yearlings should be in top physical shape for the game. Both Dave Brown, an end and Jack Kemp, a halfback, are expected to be ready for action. Both men were hurt in earlier practice sessions.

"**WE'RE COMING** along well. Our offense is looking good," said one of the coaches.

Although the coaching staff won't name the starting lineup this early in the week, they did single out several men who have been showing well in recent practices.

CARL QUINN, tackle; Val Weingend, end; Jerry Crumley, guard; Tom Stolveworth, halfback; Neil Clay, fullback; and Don Dike, quarterback, have all drawn praise from the coaches.
